

Customer Experience Lead

Job ID
REQ-10019394
Sep 17, 2024
Slovakia

Summary

The Customer Experience Lead will be responsible for leading cross-portfolio omnichannel customer engagement planning, integrating it into Novartis Slovakia's business goals. This position combines strategic and tactical planning, customer journey mapping, and service design expertise to develop effective touchpoints and strategies that enhance the overall customer experience, both digitally and in-person with a digital first approach. This role is essential for creating and managing a best-in-class customer experience. It frames projects under Strategies and Services, generating synergies across projects to quickly, compliantly, and efficiently deploy and manage activities that address pain points throughout the HCP /Patient Journey.

About the Role

Key Responsibilities:

- Design and develop innovative strategies and tactics to improve overall customer engagement and service delivery experience to attract customers, increase reach, conversion, and other KPIs.
- Conduct research and analysis to understand the target audience, market trends, pain points and customer needs within the defined market.
- Create profiles/ personas and map customer journeys to understand current behaviors and experiences and define future vision considering opportunities for improvement.
- Create detailed user journeys and service blueprints that could scale understanding supporting systems and organizational structures
- Collaborate with cross-functional teams, including marketing, sales, tech and medical, to align customer experience and engagement initiatives with business objectives.
- Contribute to defining metrics and utilize data and customer feedback to continuously enhance customer engagement tactics, improve the overall customer experience and ensure that demonstrable improvements are achieved across the organization.
- Lead multiple projects of the GoTo Market (GTM) strategies related to customer experience.
- Stay updated on industry best practices, emerging trends, and regulatory changes to ensure compliance and competitive advantage.
- Ensure budget alignment within the business unit.

Essential Requirements:

- Bachelor's degree in marketing, Business Administration, Design, or a related field.
- Proven track record in Customer Experience, Service Design, and/or Loyalty Programs, with an omni-channel approach. Experience in gamification.
- Strong understanding of customer journey mapping, pain point identification, and barrier analysis.
- Experience in both digital marketing and traditional face-to-face marketing strategies.
- Expertise in data analysis and utilization of customer insights.
- Ability to think strategically and align design initiatives with business objectives.
- Ability to develop innovative solutions to improve customer engagement.
- Strong understanding of user-centered design.
- Experience in facilitating workshops, design sprints, and ideation sessions.
- Exceptional communication and collaboration skills to work effectively with cross-functional teams.
- Fluent in English. The Slovak language is a plus.

Others/ Desirable:

- Certifications in service design methodologies, such as design thinking, Agile model, lean design, gamification, prototyping/testing, and others.
- Strong organizational and project management skills.
- Post-graduation or MBA in customer experience, business, strategy, innovation, and related fields.
- Knowledge of the design tools such as Sketch, Figma, Adobe XD, or similar.
- Financial acumen, including ROI analysis.
- A demonstrable record of delivering high-quality outcomes against challenging objectives and resources.
- Knowledge of the pharmaceutical or other regulated industries and understanding of legal/compliance data norms.
