## Summary

Responsible for general accounting functions of moderate to high complexity, with emphasis on day-to-day accounting transactions, reconciliations, Customer Invoicing and project accounting.

## About the Role

### Key Responsibilities:

- Interact with functional areas in various Divisions to support appropriate accounting and financial reporting.
- Prepare monthly / quarterly journal entries.
- Prepare monthly account analyses and account reconciliations.
- Support the month-end financial closing and reporting process.
- Support timeliness of reporting as well as compliance with Novartis standards and policies (i.e. global processes, Novartis Accounting Manual, Novartis Financial Controls Manual, Management Authorization Levels, etc.).
- Support continual improvement and modifications to templates/processes throughout the month to increase efficiency and address changes due to new or altered internal or external reporting requirements.
- Collaborate with key stakeholders, including divisional business colleagues, both internal and external accounting authorities/auditors, and Division and Group Financial Reporting and Accounting, as well as communicating with these stakeholders when questions regarding accounting/reporting matters arise.
- Role model a work style that displays innovation, quality, collaboration, performance, courage, and integrity.

### Minimum Requirements:

- Bachelor's degree in Accounting; CPA with Big 4 public accounting experience is preferred
- 3-5 years related experience; public company preferred
- Strong knowledge of IFRS and accounting theory
- Experience in the healthcare or life science industries is preferred
- English required
- Able to multitask in a growing, dynamic environment
- Experience with SAP, or comparable systems, preferred
- System implementation experience is a plus
