Slovakia

## Summary

We are seeking a highly motivated and experienced Marketing Communication Lead to join our marketing team. As a Marketing Communication Lead, you will be responsible for developing and executing comprehensive marketing communication strategies that align with our overall business goals and objectives. You will work closely with cross-functional teams to deliver successful results.

## About the Role

### Key Responsibilities:

- Based on overall company/disease/brand strategy develop & execute communication strategy in line with internal & external regulations (medical, regulatory, compliance, legislative and others).
- Develop and execute of the content strategy with an editorial plan in formats that enhance the overall customer experience, making the messaging easily digestible and engaging. Develop captivating and appealing messages that resonate with customers, ensuring they align with the overall content strategy and strategic objectives.
- Actively participate in the creation of a business strategy within commercial therapeutic area team.
- Lead and drive internal & external collaboration with cross-functional teams to deliver successful results.
- Build a centralized content pool based on modular content to ease up production and approval processes.
- Deeply understand of data behind communication, activities, tools & projects to generate qualified leads based on data analyses & follow-up communication with customers.
- Measure and report on KPIs by tracking the performance of marketing communication campaigns through established KPIs.

### Essential Requirements:

- Bachelor's degree in Marketing, Communications, Public Relations, Business Administration, or Life Sciences.
- Master's degree in Marketing, Communications, Public Relations, MBA with a focus on Marketing and Healthcare management, MPH with a focus on healthcare communication, or Life Sciences is desirable.
- Fluent written and spoken English.
- Strong strategic thinking and planning skills with the ability to develop long-term communication strategies.
- Deep understanding of scientific data and the ability to translate it into compelling marketing messages.
- Excellent written and verbal communication skills with expertise in creating clear, persuasive, and

audience-appropriate content.

- Proficiency in data-driven marketing and analytics, using data to optimize marketing strategies.
- Strong understanding of digital channels and experience in implementing digital marketing strategies.
- Skilled in stakeholder relationship management and building strong relationships with internal and external stakeholders.
- Ability to adapt to a fast-paced, highly regulated environment and find innovative solutions to marketing challenges.
