

# BPA Manager - Franchise / Cluster

Job ID  
REQ-10033891  
Jan 27, 2025  
Belgium

## Summary

Location: Vilvoorde, Belgium #LI-Hybride

Description: As a BPA Manager, you will drive strategic decision-making through complex analysis and reporting for large-revenue country operations. This role combines financial acumen with business partnership, providing critical insights and value-added analysis to support management teams. You'll be instrumental in shaping operational strategy and ensuring business excellence through data-driven recommendations.

Your responsibilities will be but are not limited to:

## About the Role

- Partner with management to deliver strategic insights through comprehensive business analysis and performance monitoring
- Lead financial planning processes including annual budgeting, rolling forecasts, and strategic planning initiatives
- Conduct risk and opportunity analyses, developing actionable recommendations for business optimization
- Drive investment decisions through robust financial analysis and business case development
- Monitor and evaluate business performance metrics, providing early warning signals for resource reallocation
- Validate commercial data integrity while offering recommendations for forecast accuracy improvement
- Optimize management reporting processes to meet evolving business needs
- LDC experience preferable

## Essential Requirements:

- Proven experience in financial management and operations
- Strong analytical skills with expertise in data visualization and insight generation
- Advanced proficiency in AI-driven analytics and process optimization
- Demonstrated ability to influence key stakeholders and manage ambiguity
- Excellence in critical thinking and rapid problem-solving capabilities
- Deep understanding of market dynamics and business value drivers
- Strong compliance awareness and control management skills
- Fluent in English with exceptional communication abilities

## You'll receive:

You can find everything you need to know about our benefits and rewards in the Novartis Life

Handbook. <https://www.novartis.com/careers/benefits-rewards>

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, childcare facilities, learning and development opportunities as well as worldwide career possibilities within the Novartis group.

We are open for part-time and job-sharing models and support flexible and remote working where possible.

**Commitment to Diversity & Inclusion:**

Novartis is committed to building an outstanding, inclusive working environment and diverse teams, representative of the patients and communities we serve.

**Why Novartis:** Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

**Join our Novartis Network:** Not the right Novartis role for you? Sign up to our talent community to stay connected and learn about suitable career opportunities as soon as they come up: <https://talentnetwork.novartis.com/network>
