Jan 31, 2025
United Kingdom

Summary

The Commercial Lead develops and drives the commercial strategy and activities for the In-Market Brand portfolio in Novartis UK.

About the Role

Location:

This role is office based at the White City office in London with hybrid working which requires 12 days in the office per month.

#LI Hybrid

Key responsibilities:

Strategic Recommendations for In-Market Brands:

- Lead the development and implementation of the commercial strategy for the In-Market Brand portfolio, considering the overall CPO goals
- Regularly conduct strategic reviews of the portfolio and identify growth strategies to enhance overall profitability
- Leverage experience in BD&L by identifying, defining and executing appropriate BD&L opportunities in collaboration with RE/International
- Consider and support divestment opportunities
- Make recommendations on moving non-priority brands in TAs at the right time

Budget Management:

- Responsible for the achievement of brand sales and market share targets
- Contribute to any reporting requirements for the portfolio
- Proactively outline risks and opportunities across the portfolio to enable CPO financial planning and expectation management
- Contribute to budget planning within team - ensure expenditure is in line with agreed budget communicating deviation

Implementation of Tactics & Brand Governance:

- Accountable for the execution of the commercial strategy for the In-Market brand portfolio

- Define and implement the transition strategy for products approaching loss of exclusivity and ensure a coordinated approach cross-functionally as they transfer from TAs to the IB team
- Oversee brand governance requirements by working with relevant functions such as Medical, Patient Safety, Regulatory, and Legal (RMPs, PI, safety label changes, and any POPsys requirements).
- Ensure all promotional activities and materials are aligned with strategy and meet the requirements of the ABPI, MHRA, Novartis P3 principles, and competition law.

Leadership:

- Collaborate with above-country counterparts and mature brand TAs in Region Europe and Global.
- Provide leadership and coaching to the Commercial Manager, and effectively lead cross-functional teams to deliver key projects
- Continuously evaluate activities to inform rapid decision-making (e.g., fail/scale)

Requirements:

- Strong understanding of the Generics or Biosimilars market
- Experience with Business Development & Licencing
- Experience in a Commercial /Pricing/Tendering role within the Pharmaceutical industry
- End of product life cycle management/mature product commercialisation experience
- UK healthcare experience is highly beneficial
- Demonstrate an enterprise mindset and customer focus
- Proven negotiation and influencing skills

Commitment to Diversity & Inclusion:

We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.
