Zusammenfassung

#LI-Remote

The Director, Account Management & Pricing Strategy, will serve as the strategic team lead for large National and Contracted Regional Accounts and key inline brands that represent between 10%-20% of the US IM Business or \$2B-\$4B in Gross Sales. This role will be responsible for account development, integrating deeper and broader with large payers to gather competitive intelligence and customer insights to better position NVS brands on payer formularies. The Director will develop account specific contracting strategies and lead the implementation of customer contract/pricing programs for assigned accounts. This position is responsible for creating business solutions that meet both external customer and NVS business needs by working cross-functionally with internal executive management while gaining customer insights and payer business knowledge to effectively drive customer satisfaction and maximize Novartis business. Additionally, this position will champion the development and cross-functional interaction for optimal US Novartis Innovative Medicines pricing, contracting portfolio and Franchise strategies for as-signed in-line, launch and pipeline products.

This position can be based remotely anywhere in the U.S. (there may be some restrictions based on legal entity). Please note that this role would not provide relocation as a result. The expectation of working hours and travel (domestic and/or international) will be defined by the hiring manager. This position will require 15% travel.”

About the Role

Key Responsibilities:

Strategy Development to achieve US Innovative Medicines business goals

- Collaborates with other National Account, Pricing, and Portfolio Strategy
- Develops account specific and portfolio contract strategies in line with Business Unit sales goals and customer needs; aligns Account strategy with other key Sales, Marketing, Medical and Managed Care functions and ensures cross-functional support
- Drive strategic account development integrating deeper and broader with large payers to gather competitive intelligence and customer insights to better position NVS brands on payer formularies and lead contract negotiations with key assigned Accounts

Account Management

- Builds relationships with significant national and regional customers and stakeholders; interfaces with key customer to understand their needs, perspective, and issues while recruiting customer sources to deliver competitive intelligence and customer insights in order to effectively guide and design effective customer strategies
- Delivers the Account plans and required financial results for own Accounts; works effectively with colleagues in other functions to achieve Account goals.
- Acts as a product and Account Management expert, providing advice and guidance as required to other business leaders.

Pricing & Contracting Strategy

- Develops pricing, contracting and channel strategies for optimal patient access and profitability for assigned new and in-line products focusing on the full commercialization continuum
- Responsible for the strategic and financial evaluation of potential contracting efforts, support of customer negotiations and end-to end Brand payer contract execution
- Support the development of market access strategies for inline and pipeline products by conducting pre-modelling scenarios for market and competitor analyses, stakeholder and pricing and channel research

Ethics and Compliance:

- Work within ethical and compliance policies and ensure those around him/her do the same
- Ensure a diverse and inclusive environment free from all forms of discrimination and harassment

What you'll bring to the role:

Education: Bachelor's degree or equivalent education/degree required; MBA or equivalent preferred

Essential Requirements:

- A minimum of 7 years of pharmaceutical industry, Market Access, or payer experience
- Thorough understanding and knowledge of US healthcare economics and the drivers of pharmaceutical demand, including pricing and reimbursement
- Extensive experience in healthcare contracting and critical understanding of PBM, National and Regional Health Plan business, Medicare Part D, Medicare Part B and changing market landscape
- Proficient in Microsoft Office, particularly PowerPoint and Excel
- Proven ability to navigate complex customers and build relationships across all key stakeholders, including executive management
- Demonstrated prioritization, organizational and analytical skills as well as the ability to create solutions for complex processes and procedures
- Inspirational leadership with significant leadership experience and a high level of self-awareness and curiosity with focus on empowering others
- Demonstrates high degree of emotional intelligence, adaptability and creativity in solution-oriented ideation – results-oriented, fails fast to learn faster, and embodies an agile, growth mindset
- In-depth knowledge of patient access, launch excellence, marketing and business processes and ability to analyze complex business issues
- Deep understanding of US pharmaceutical value chain and its business processes

Novartis Compensation and Benefit Summary: The pay range for this position at commencement of employment is expected to be between \$212,000 and \$318,000 year; however, while salary ranges are effective from 1/1/24 through 12/31/24, fluctuations in the job market may necessitate adjustments to pay ranges during this period. Further, final pay determinations will depend on various factors, including, but not

limited to geographical location, experience level, knowledge, skills, and abilities. The total compensation package for this position may also include other elements, including a sign-on bonus, restricted stock units, and discretionary awards in addition to a full range of medical, financial, and/or other benefits (including 401(k) eligibility and various paid time off benefits, such as vacation, sick time, and parental leave), dependent on the position offered. Details of participation in these benefit plans will be provided if an employee receives an offer of employment. If hired, employee will be in an “at-will position” and the Company reserves the right to modify base salary (as well as any other discretionary payment or compensation program) at any time, including for reasons related to individual performance, Company or individual department/team performance, and market factors.
