

# Corporate Affairs & Patient Relations Manager

Job ID  
REQ-10029787  
Nov. 21, 2024  
Peru

## Zusammenfassung

Location: Lima, #LI-Hybrid

About the role:

Responsible for a defined scope in the execution of Comms & Patient Relations strategies and plans. Ensures all aspects of the daily operations run effectively and efficiently, identify and resolve upcoming issues, improve processes, ensure quality deliverables.

## About the Role

### Key responsibilities:

- Enhance engagement with the patient community through a patient-focused mindset.
- Identify solutions that educate and empower patient organizations to improve patients' disease awareness, quality of life and access to therapies.
- Work with patient organizations to plan and implement short- and long-term programs to meet both business and disease communities needs.
- Stay current with relevant information and resources regarding industry and health care legislation.
- Provide updates regularly to the disease communities.
- Monitor metrics and audience statistical analysis and planning.
- Develop strategy and content for multi-channel communications activities (traditional, social and digital channels), aligned to communication objectives, focusing on brands & disease areas that are deemed priority for the business.
- Manage PR agencies and budgets, track progress, ensure deadlines are met, and ensure quality and compliance in communication materials

### Essential requirements:

- Bachelor's degree in communication sciences and/or Journalism
- Experience in roles related to communications and/or patient management, preferably within the pharmaceutical industry, NGOs or newspapers
- Strong oral and written communication skills
- Ability to convey scientific information in simple language
- High capacity for empathy and self-management
- International experience is a plus
- Strong project management skills
- Intermediate English level
