Achievement of Market Share Target

- Demonstrate improvement on brand metrics through Brand awareness/ recall, message retention, prescription intent and trial rate.
- Ensure positive customer experience in reference to Net Promoter score, Overall HCP satisfaction rating and HCP Retention rate
- Attain market share objective
- Achieve monthly sales targets
- Meet other set key performance indicators (KPIs)

Territory Management

- Ensure achievement of MCQ targets by effectively using omnichannel engagement with target HCPs via face to face or digital engagement methods
- Use available technology and tools to support sales calls and Customer Relationship Management
- Co-creation of digital marketing materials with Marketing and Medical for personalized HCP engagement such as RTEs,

Disease, Therapeutic & Product and Competitors Area

Mastery on product knowledge, clinical studies and updates on the assigned therapy area or following major areas:

Disease, therapeutic, product & competitors

- Ensure brand lead and key account activities are aligned to customer insights
- Acts as point of integration and collaboration for specific Novartis brands, in specific Territories /Accounts to ensure full 360-degree approach to account

Selling Expertise

- Demonstrate expertise on virtual patient-centric selling using omnichannel engagement tools and framework.
- Explore needs from customers' perspective and adapting brand messages to enable the right patients to get the right solutions at the right time
- Effectively communicate brand messages and benefits to target customers aligned to the digital Marketing Communication Strategy
- Responsible for achievement of the Territory Plans and aims to deliver the required territory sales targets.

Market & Customer Acumen

- Demonstrate clear understanding on the needs and pain points of target HCPs and closely feedback to In-market Brand Lead/ Medical for more relevant content and programs

Sales reports, updates and support

- Conduct regular brand/KAM reviews to ensure brand and KAM strategies are up-to-date and effective.
- Provide detailed reports and updates on projects implemented and other business-related expenses and all relevant business correspondence with the use of appropriate presentation tools/ equipment
- Always maintain business updates / advantages through training and other information source (internet, books, etc.).
- Use ONCORE for Congress, Events and Attendees
- Liquidate expenses in a timely manner
- Provide professional support in continuing medical education

Collaboration with Stakeholders

- Pro-actively collaborate with other Novartis stakeholders in sales and across functions (e.g. Medical, Patient Access) to achieve sales targets and when required to support cross- functional competencies
- Partner with the customers by providing value added services for patients

Ethics, Risk and Compliance

- Quality and Pharmacovigilance – Ensure teams ERC to good pharmacovigilance practice (GPVP), quality and adverse event reporting.
- Ensure awareness and understanding of the Novartis Code of Ethics and other ERC guidelines and policies (Speak Up Office, Pharmacovigilance, Anti-bribery, Conflicts of Interest, BeSure, etc.)
- Adhere to the highest ethical standards in the industry and abide by the Novartis Code of Ethics and other ERC guidelines and policies (Speak Up Office, Anti-bribery, Conflicts of Interest, BeSure, etc.)
- Report potential misconduct or violations to the Code of Ethics and other ERC guidelines to any of the following: Manager, CPO Head, Legal, ERC, P&O, Speak Up Office.
- Drive and ensure completion of all mandatory training programs and understanding for the team

Minimum Requirements:

Education

- 4-year course, preferably business and allied medical sciences from a reputable institution.

Work Experience:

- Established Network to target Customer Group desirable.

- At least 1 – 2 years of strong track record as a Specialist Representative or solid exposure in pharmaceutical selling i.e. brand selling and developing brand advocates
- Digital / engagement track record preferable
- Digital savvy
- Mastery on product knowledge, clinical studies and updates on the assigned therapy area
- Expert on patient-centric selling using omnichannel engagement tools and framework

Skills:

- Account Management.
- Commercial Excellence.
- Communication Skills.
- Compliance.
- Conflict Management.
- Cross-Functional Coordination.
- Customer Insights.
- Ethics.
- Healthcare Sector.
- Influencing Skills.
- Negotiation Skills.
- Selling Skills.
- Technical Skills.
