Reino Unido

Resumen

Novartis is looking for a driven key account manager with a passion for selling to lead one of their top strategic brands of the company in the successful Haematology business unit. You will play an important part of the success of a team that has already changed lives of many people living with CML in the UK. This is the ideal job for someone who is hungry for success, to be rewarded for this and to further develop their career at this exciting time at Novartis. The vacancy is due to a development move.

About the Role

Location:

The territory covers Scotland, North of England and Northern Ireland.

The role requires the successful candidate to live on the territory and have the right to work in the UK. Visa or relocation support are not available for this role.

Key responsibilities:

- Develop business plans and implement related activities like customer events, sales & marketing campaigns, sales presentations necessary to achieve agreed objectives
- Accountable for achieving agreed sales, productivity and performance targets within agreed budgets and timescales
- Provide Key Account/Hospital network support, market access support, including referral networks
- Gain a deep understanding in the Haematology specialist area and priority products
- Maintain and enhance knowledge of products, product strategy, positioning, key messages, programs, company developments, customers, and competitors
- Achieve agreed contact, coverage and frequency targets through various communication channels
- Ensure customer satisfaction and best in class customer relationship
- Contribute positively to the immediate and wider cross functional team to create a performance culture with a lot of fun!

Requirements:

- Experience working in a secondary care sales role
- UK/NHS experience is essential
- Commercial and sales aptitude with a desire to drive for results
- Strong communication and selling skills
- Engaging customer centric approach
- Patient centric outlook
- Collaborative and has proven success with cross functional working

Commitment to Diversity & Inclusion:

We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.
