Résumé

This exciting opportunity to join Novartis as a Key Account Manager in the CVD team has arisen due to a retirement. You will implement and execute business plans to meet sales goals. Contribute to and implement account plans with complex customers across secondary care.

About the Role

Location:

This territory covers Berkshire, Oxfordshire, Buckinghamshire, Frimley

Please note this role requires the successful candidate to live on the territory and have the right to work in the UK. Visa or relocation support are not available for this role.

#LI Remote

Major accountabilities:

- Develop & execute account plans for assigned product lines/brands, customers or therapeutic area; uncovers and develops relationships within Secondary care
- Develop and apply an understanding of customer organisations and networks and of diverse influences that affect customer decisions (e.g. peer relationships).
- Develop business/clinical customer relationships across Secondary care by implementing the broader account plan. Adapt and optimize approach and communication style during sales calls, responding appropriately to customer needs.
- Make effective use of available technologies and channels to support sales calls. Ensure that Novartis products and supporting services are broadly understood and available to more patients and customers.
- Deploy and use Marketing and Sales promotional materials and programs; coordinate direct promotion programs and facilitates pull-through activities. Present highly technical portfolios to customer audiences.
- Develop deep specialist product and disease state knowledge in a specific therapeutic area and leverages this to build professional customer relationships and support sound clinical discussions.
- Use detailed knowledge of competitor products' features and benefits during sales calls to improve sales of Novartis products. Allocate resources effectively for sampling, programs, and events, etc.

- A team player who will work with the cross-functional teams (e.g. Marketing, Medical Affairs, Market Access) to achieve sales targets.

Requirements:

- Secondary care pharmaceutical sales experience
- KAM Cardiology experience is highly desirable
- Experience and existing networks in the territory is highly beneficial
- Strong customer orientation
- NHS experience is essential
- Patient/client-driven with excellent communication skills
- Cross functional collaboration
- Agile, curious and positive mindset
- Valid Driver's License for the UK
- ABPI qualification
